The Friend of Haverford College Award

The Friend of Haverford College Award is given for exemplary and sustained service to the College, and loyal and active support for the mission of the College, by a member of the greater Haverford community.

The Committee takes seriously the guidelines established for the "Friend of Haverford" Award. Historically, nominees for this award have been members of the extended Haverford community, including former College staff. Respecting the language of the guidelines, the Committee generally will not accept nominations of currently-employed staff. However, upon 2019 review, it may consider making an exception based on the following extraordinary circumstances:

1. Extensive tenure, well beyond the normal, and
2. Extraordinary contributions to the College's mission.

Where these factors are met, the Committee will give particular weight to current staff who, by virtue of tenure well beyond retirement eligibility, health, or other extenuating circumstance, would not likely be considered during an award cycle post-retirement.

Naturally, the employee would need to be in good standing. Should nominators have any questions about these guidelines, they should bring them before the staff liaison/Committee well in advance of the deadline.
